

**Three of our F.7 students got the HKIE Prize for Potential Engineering Students  
2006/2007**

Three of our students were awarded the **HKIE Prize for Potential Engineering Students 2006/2007** presented to five secondary school students by the Hong Kong Institution of Engineers. They were F7B Lee Shek Hang, F7B Pang Ka Yu and F7B Cheung Yuen Ki who was also selected to make a speech at the ceremony.

Video clip of her presentation at the Prize-giving Ceremony :
